\* In accordance with the programme of work of the Inland Transport Committee for 2024 as outlined in proposed programme budget for 2024 (A/78/6 (Sect. 20), table 20.5), the World Forum will develop, harmonize and update UN Regulations in order to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

## I. Proposal

*Annex 6, Appendix 2, paragraph 3.4*, amend to read:

- “3.4. Should the above requirements not be fulfilled when some removable interior fittings were present, such fittings may be removed and then requirements of paragraph 3. have to be verified again and fulfilled. In such a case corresponding information shall be included in ~~Table 2 and/or 3~~ **Table 1** of Appendix 3 of this annex.”
- 

## II. Justification

1. *Annex 6, Appendix 2, paragraph 3.4*: Appendix 3 only contains one table, referenced as “Table 1”; this paragraph just clarifies that some parts of the Regulation are not missing.
